BSU SUMMER YOUTH SPORTS PROGRAM

FREQUENTLY ASKED QUESTIONS

1. How do I register?
   Online registration will begin April 18th, 2016. You can access the registration link via the Kinesiology Department website: [http://kinesiology.boisestate.edu](http://kinesiology.boisestate.edu)
   Payment is made at the same time with a credit/debit card. If you have difficulty with the registration process, please contact us at 426-4270 or call Annie Gibson (Swimming Pool Director 830-0979).

2. Where do I park?
   Parking is available (for a fee of $42 – General Permit) adjacent to our buildings, on Bronco Circle, and in the West Stadium Lot – General Permit lots. Short-term parkers may want to pay at a meter.
   To purchase a General Permit, present your Summer Youth Program receipt at the BSU Parking and Transportation Department located at 1700 University Drive (Student Union Transit Center on the West side of University Drive).
   Parking is free in the Lincoln garage while you obtain your permit.

3. What should my child wear?
   All participants should wear clothing suitable for physical activity. This includes shorts or gym pants, a T-shirt, and athletic footwear. Participants should not wear extremely tight, form-fitting or baggy clothing.

4. Does my child need to bring equipment?
   No, we provide equipment for all activities. Participants are welcome to bring a personal tennis racket or bowling ball.

5. How does my child get from one class to another?
   The summer youth staff does not escort participants from class to class. However, during the first days of each session, staff can tell children how to get to their classes. After the first few days it will be you and/or your child’s responsibility to get from one class to the next.
   Rock climbing participants will need to cross University Drive to get to the Student Recreation Center. A crossing guard will be available between classes to help participants cross the street. We ask that students wait by the tree on the southeast corner of University Drive and Bronco Circle across from the Student Union Building for the crossing guard.

6. Where should my child/children start each day?
   The Bronco Gymnasium is a central location for most classes. Parents/children can make their way from the Bronco Gymnasium to their designated class location.

7. What qualifications do instructors have?
   Instructors come from a variety of backgrounds. Some are current students in BSU’s K-12 physical education teaching program, some are BSU student-athletes, and all instructors have the requisite skills and appropriate certifications. Many of our instructors have been teaching in our program for several years and bring a wealth of expertise and knowledge to our program.
8. Where are classes being held?

9. What is the Student-to-Teacher ratio? The student-to-teacher ratio ranges from 5:1 to 9:1 depending upon the class and students’ ages.

10. Will lunch be provided? No. Each participant is expected to bring his/her own non-perishable lunch each day. You can register for a Munch & Play session at noon where participants can eat their lunch and then participate in fun activities. Lunch will NOT be provided.

11. Will water be available? Yes, there are drinking fountains in the buildings and water jugs in various locations. It is highly recommended students bring their own water bottles to fill up when needed. Also, please provide your child/children with sunscreen.
