2018 HEALTH SCIENCE EXPERIENCE NIGHT

TUESDAY, OCTOBER 23 • 5-7:30 PM
ISU–MERIDIAN HEALTH SCIENCE CENTER
1311 E. CENTRAL DRIVE
NO RSVP REQUIRED, BUT ATTENDEES MAY SIGN UP AHEAD OF TIME AT ISU.EDU/HSEN

PREPARE FOR A CAREER IN HEALTH PROFESSIONS

LEARN
Come engage with academic programs and experts from Idaho’s leader in health sciences education, Idaho State University.
• Explore career and education pathways
• Visit with faculty members and students
• Learn from an admissions advisor about application steps and scholarship opportunities
• Participate in our Pharmacy Open House

EXPERIENCE
Capitalize on the opportunity to explore advanced learning technologies through hands-on activities and demonstrations.
• Participate in medical demonstrations
• Experience human patient simulation
• View demonstrations in the Treasure Valley Anatomy & Physiology Virtual Laboratory (all ages welcome)
• Observe presentations in the Treasure Valley Anatomy & Physiology Gross Laboratory for those ages 16 and older only. Written parental consent is required. Consent forms will be available at the event but may also be requested ahead of time by contacting Dana Gaudet at beecdan2@isu.edu or by visiting www.isu.edu/hsen.
