Ada County Juvenile Court Internship
Supervisor: Dee Dee Phillips
By: Amy Dunlop

Mission
To provide professional services that build, reinforce, and sustain skills to enhance the lives of youth and families.

Seven Areas of Responsibility
This internship covered four areas of responsibility

Plan: I was able to help plan and facilitate evidenced based programs.
Implement: I had the opportunity to facilitate evidence based programs in local Boise schools.
Resources: Connecting with community resources to help individuals make a positive change.
Communicate: Communication with supervisors, school counselors, and fellow interns is key to success.

Overview
Through my internship I have learned about community resources, facilitation of evidence based programs, probation, diversion cases, and court processes.
