Purpose

The purpose of the IPE Clinical Seminar is to provide learners with evidence-based knowledge and skills on a selected healthcare topic through an interprofessional lens. The seminar will provide an opening lecture and discussion from a “clinical expert” and culminate with an interprofessional team learning activity for participants.

Target Participants

Professional program students from the Treasure Valley including Boise State University - College of Health Sciences, Idaho State University – Meridian Health Science Center, and the University of Washington – Medical Education Program.

Where

Boise State University, Student Union Building, Jordan A

When

March 5th, 2018 from 6:30-8:30 pm (refreshments will be provided)

Topic

Emergency Preparedness: Pearls and Perils – A Boston Marathon Story!
Joseph Murphy PhD, ATC - Lebanon Valley College

RSVP

Space is limited. Faculty/Staff RSVP to Phil Ford at IPECOHS@boisestate.edu. Students RSVP at hs.boisestate.edu/interprofessional/clinical-seminar-registration/.
