Athletic Training Program Graduate Assistant – Doctoral

Boise State University

The Boise State University Department of Kinesiology seeks a Graduate Assistant (GA) to assist with the operations of the Bachelor of Science in Athletic Training degree program as well as the transition to a Masters of Athletic Training beginning in 2018.

This position is a renewable 9-month assistantship (August-May) and includes tuition waiver, health insurance, and a yearly stipend (current stipends: masters-level = $9,588; doctorate-level = $10,226)

Who Should Apply

This position is ideal for Athletic Trainers interested in pursuing a future career in academics and/or clinical. Candidates interested in pursuing a terminal academic degree (EdD) within a specialized Kinesiology cognate (3 years) are especially encouraged to apply.

Additionally, professionals interested in completing the Masters of Science in Kinesiology degree (2 years) en route to the terminal degree will also be considered.

Please review the information found at the links listed at the end of this announcement.

Position Qualifications

- Current BOC ATC and eligible for Idaho Licensure
- Minimum 1 year of clinical Athletic Training experience
- Teaching experience preferred

Job Description

- Assist with the daily administrative operations of the undergraduate Athletic Training Program and gain experience in the following areas related to Athletic Training Program operations:
  - Curriculum development
  - Alumni and employer survey development and data acquisition
  - Competency and Proficiency mapping
  - CAATE annual reporting
  - Program application and student selection
  - Policy and Procedure development
  - Clinical education rotation assignment and evaluation process
  - Student recruitment and advising
  - ATrack documentation system

- Teach within AT Program

- Opportunity to assist with delivery of Athletic Training services in the Athletic Department

The GA is expected to conduct research in line with department faculty interests and expertise.
