Uniforms
Uniforms can be purchased online or any local stores. Required color is **Navy (dark blue)**. However, Boise State logo embroidery needs to be done at locally based licensees. We suggest to purchase tops with a couple of pockets as you will make a lot of notes. If you are interested in donated scrubs, please contact the department at 208-426-3316.

There are two shops who sells scrubs and do embroideries for your scrubs:

### Uniforms / embroidery
