Beyond the Basics: Innovative Simulation Topics for Health Care Educators

An NLN Simulation Workshop

Co-sponsored with Boise State University

Presented by:
Sharon Decker, PhD, RN, ANEF and Suzie Kardong-Edgren, PhD, RN, ANEF

Come to the workshop and:

- Discuss what is currently known about simulation and learning outcomes.
- Investigate the kinds of evaluation tools nurses might use in simulation.
- Explore how simulation can be used to support competency-based learning and assessment.
- Discuss the integration and challenges of standardized patients into nursing curricula.
- Discuss strategies for planning a strong simulation study from experienced simulation researchers.
- Compare strategies, models, and integration of debriefing and guided reflection.

April 27-28, 2012
Boise State University, ID

Early Bird Registration
(until March 27)
Members: $275; Non-members: $375

After March 27
Members: $375; Non-members: $475

For more information and to register, go to: www.nln.org/facultyprograms

The NLN offers continuing education credit for all its professional development programs through IACET.
